Dear Partner

iPark Singapore, the promotion base and gateway for Korea's world-class Information Technology, aims to accelerate the growth of Korean technology and to explore opportunities for partnerships and collaboration between Korean and game companies in the Asia-Pac region.

Mobile Opportunities @ Singapore 2005 is a unique 1:1 industry meeting designed to enable Asian IT companies to form value-added partnerships with Korean IT companies. As your meeting with the Korean Game Partners will be match-made in the area of expertise and interests, please complete this form so that you are best matched to the ideal partners. Thank you for your time and we look forward to a fruitful meeting with you.
